

Instructions for Pearson Student Login

Step 1: Go to <https://www.pearson.com>

Step 2: Click the **Sign In Tab** - Login Using your User Name and Password given to you by your teacher

Step 3: Setting up your Profile

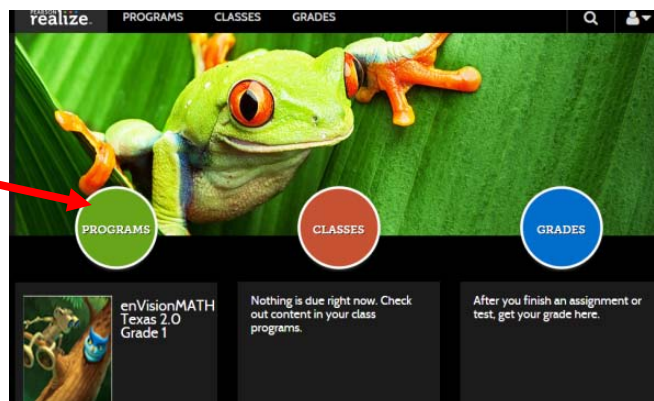

Click Here

Step 4: Your screen will look something like this...

Click Here

Step 5: In programs you will find Topics. When topics are clicked it will take you to different parts of the lesson such as; solve and share, visual learning and practice.

Click Here

Solve and Share –virtual activity

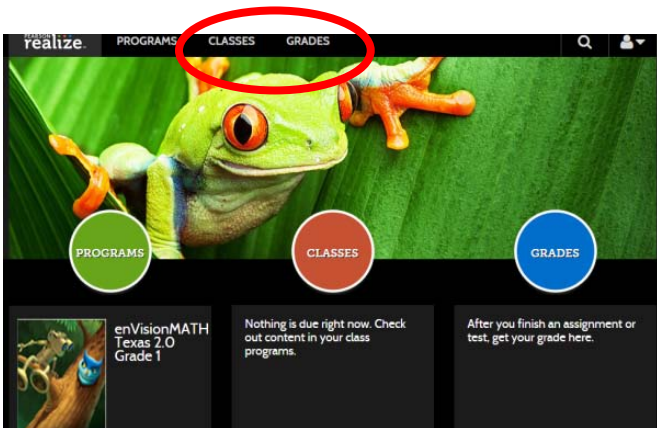

Visual Learning –lesson of the topic

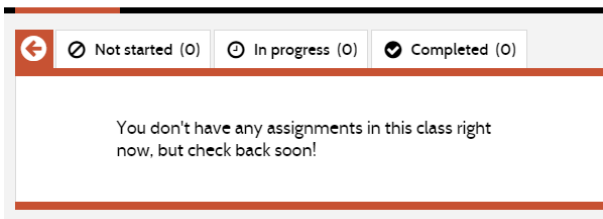

Practice –the assignment that matches your book. You can download and print it out if you need to.

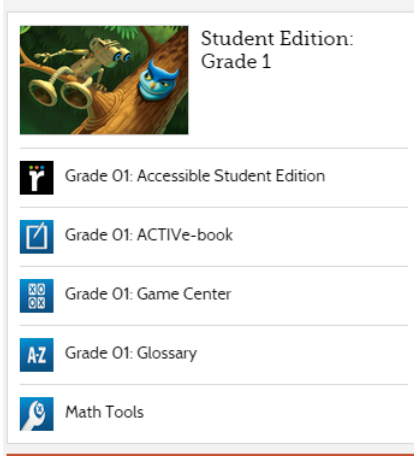

Lastly, under **Classes** your teachers can make assignments and you will also find other tools that can help you learn the topic. There are fun games and online and printable activities.

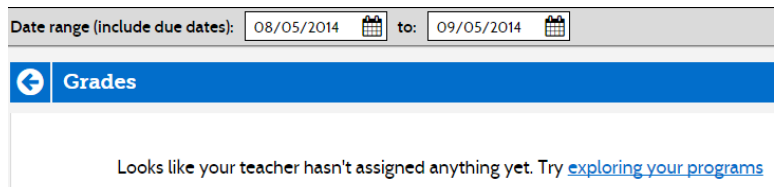

Assignments

eText & Tools

Under the **Grade Tab** you will find assigned lessons/activities, upon completion the Grades will be recorded here.

Have fun exploring and using the online resources.
