### Compatibility Check

*Texas Networks/ConnectED* is built to run on most operating systems and devices, yet we recommend that you do a quick compatibility check to make sure everything will run smoothly.

Go to: <http://connected.mcgraw-hill.com>

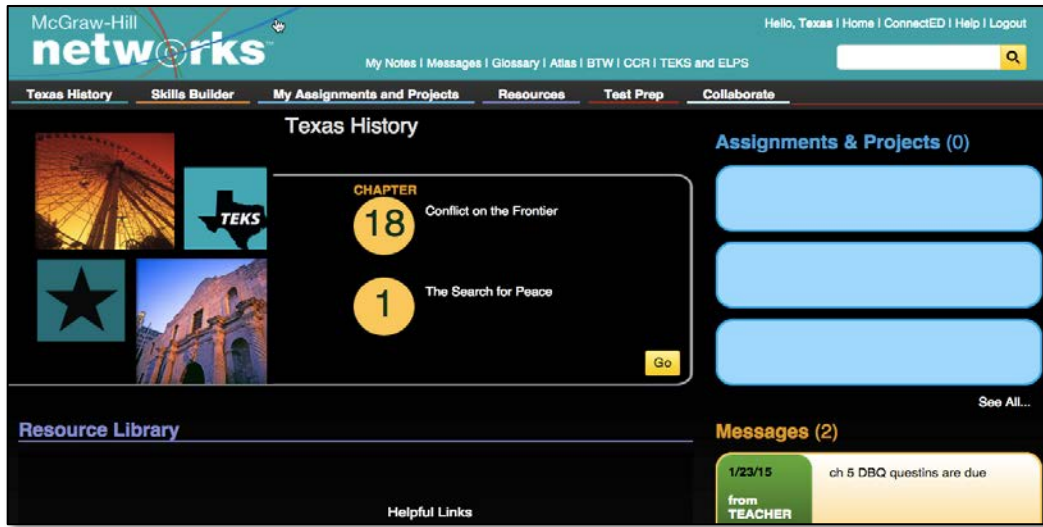

Click on: **Minimum System Requirements** (bottom of the page)

This will automatically test your system and let you know what updates you might need to get the full utilization of *Texas Networks*.

## Exploring the Student Workspace

After logging in, click on the student book icon. Below is a peek at what your student can expect to find in their *Texas Networks* Student Workspace.
