Dear Clemens Buffalo,

We hope you have had a relaxing and productive summer vacation and are excited in anticipation about the challenges that lay ahead of us. Our 2019 schedule will be among the toughest in the State of Texas, and we are expecting you to be prepared. In a few short weeks, all of our preparation and hard work will come to fruition and we hope you will be ready.

*“When you go to bed at night, think back about your day. If you didn’t do anything to make yourself a better man, student, athlete, brother, boyfriend, then why did you get up? Every day, compete to improve your own best self.”*

*-Tom Herman, The University of Texas*

**Ask yourself these questions:**

- *How important is the 2019 Football Team to you?*
- *How sincere are you?*
- *How committed are you?*

Good men are always asking themselves these kinds of questions because they are always challenging themselves to be their best. Remember that success does not come to those who want it or hope for it; but rather it comes to those who work hard enough so that they deserve it.

The future of the 2019 Clemens Buffaloes football team is now, and without a doubt, we have a lot to prove to district 26-6A and the State of Texas.

August 12<sup>th</sup> marks the date of our first practice and you have an obligation to your teammates to show up in excellent condition. As a reminder, the field house will continue to be open from 9 a.m. to 12 p.m., Monday through Thursday. Remember the effort you put in this off-season and let's build on our commitment of bigger, faster, and stronger over the next few weeks so you do not regress physically.

Be sure to mark the following dates on the calendar and prepare yourself to be a part of the most intelligent and physical football team in the state of Texas.

August 8	4:00 pm	<b>Team Meeting Auditorium/Equipment Issue (10-12 grades)</b>
August 12	7:00 am	<b>1<sup>st</sup> Day of Practice</b>
