

# SCHERTZ-CIBOLO-UNIVERSAL CITY ISD 2020-2021

## Remote Prekindergarten Registration

### Registration Information

For the safety of everyone, during the district's closure for COVID-19, Spring Registration for incoming Prekindergarten students for the 2020-2021 school year will be done remotely through txConnect and the registrar's email address. For additional information on the online registration process and creating a txConnect account, go to [www.scuc.txed.net/Page/367](http://www.scuc.txed.net/Page/367).

### Important Information for Prekindergarten

Parents of PK students must qualify before registering online.

Once your application is reviewed, you will be notified and provided information on the next steps.

### Additional Information

- To locate your child's home campus go to the district website at [www.scuc.txed.net/Page/367](http://www.scuc.txed.net/Page/367). Under **Related Files**, select **District Street Index**.
- Please Note: If your student was previously enrolled in SCUCISD during the 2019-2020 school year and you are returning to our district after having withdrawn your child, you will need to wait until the summer registration dates (July 27 – July 31) to register your child.

## WELCOME TO SCUCISD!

We are excited to serve you and your child!

**Please Note: Updated dates and process for PK Enrollment!**

**We are offering full day PK at Schertz & Rose Garden Elementary for the 2020-2021 school year.**

Additional information on full day PK can be found in the document **Full Day PK** under "Related Files" at [www.scuc.txed.net/Page/367](http://www.scuc.txed.net/Page/367).

**April 29, 2020:** Parents can begin submitting the completed PK Application and all supporting documentation based on PK criteria selected

- The PK Application can be located on either the registration web page [www.scuc.txed.net/Page/367](http://www.scuc.txed.net/Page/367) or under the "Need Documents?" section of the txConnect login screen

**April 29 – May 5, 2020:** PK Applications will be reviewed by campus administrators

- Please watch your email for messages from the campus administrator regarding your child's qualification and the next steps for student's that qualify for PK

### AGE REQUIREMENT:

**Prekindergarten** - Child must be 4 years old by September 1, 2020 and qualify for the PK program. (See Student Registration Page on the district Website for more details) **Please do not register your PK student online before going through the qualification process.**

### When submitting your PK Application:

- Email the completed PK application **and** all supporting documentation for each criteria that your student may qualify under to the email address listed below for your home campus.
