April 10, 2019

Dear Clemens Band Parents,

I would once again like to thank all of you who have supported our program throughout this school year.

There have been many successes so far including a great marching season, holiday concert, Color Guard accomplishments in Winter Guard competitions, UIL solo & ensemble contest, our New York City trip, and UIL Concert & Sight Reading contest. This has all been achieved during the challenge of clearing our facility for the renovation that is now going on in the band hall and music building.

Our upcoming events include our Spring Concert, Banquet, First Steps event, State Solo & Ensemble Contest, and Graduation.

All of the above are not small accomplishments. They are achieved by the students, directors, and band parents working together for the greater cause of providing a quality experience for everyone.

Last evening at our April Band Booster meeting the executive Band Booster board was elected into office for the 2019-2020 school year. We congratulate and thank the following parents for stepping up and ensuring that our program continues in its successful ways:

Rebecca Zimmerman, 1st Vice President

Dana Bosch, 2nd Vice President

David Morin, Treasurer

Marisa Garcia-Ybarra, Secretary

As you can see by our list, the President position remains available. This is an important position that opens and presides over our monthly meetings. It is important that we have a parent step in and serve in this vital position. Please contact the booster leadership by e-mailing:

[execboard@clemensbandboosters.com](mailto:execboard@clemensbandboosters.com)

There are many sources of support provided by our membership for that special person that serves as our president.

On Wednesday, April 17th there will be Clemens Mass Physical event held in the events center from 4:00 p.m. to 5:00 p.m. It is important to remember that physicals for marching band students is now state mandated. Please do not overlook this legally required process. Information will be distributed to all underclassmen today during class. These physicals must be completed and recorded into the system before the end of this school year (May 30, 2019).

We cannot overstate how much we appreciate everyone's support. Please consider the important President position as an essential part of our organization as we move forward into a new school year.

Sincerely,

Robert Petriski
