

Family Support Center

We recognize the stress caused by school, work, family, and everyday living. These stressors can often leave families and individuals looking for outside guidance. The SCUCISD would like to provide that support by extending its counseling services to the Schertz, Cibolo, and Universal City communities.

- *A Marriage and Family Therapist, Supervised Practicum Students, and Licensed Specialists in School Psychology are available to assist with individual, family, or school issues.*

- *Afternoon and evening appointments available*

- *Convenient location on a school campus*

- *Free services for parents and students of the SCUCISD*

- *Summer appointments available*
